Dear Parents/Guardians,

We are preparing for the new school year and want to ensure that the return to school is as safe as possible and follows all Covid-19 guidelines. For this reason we have decided to stagger the entry of our new Junior Infant class. The class has been split into 3 groups with each group having their own starting day, Monday, Tuesday or Wednesday. The whole class will come together on Thursday.

Your child is invited to begin school on

.....

Please arrive at the main door of the school building at

Do not arrive any earlier as you will not be allowed to enter.

You and your child will be taken to the Junior Infant classroom.

Parents accompanying children must wear a mask and no other family members will be allowed into the building. Hands must be sanitized as you enter the classroom.

These are very unusual times so I ask you to respect the above date/time and procedures and please do not come to the school on a day other than your designated start day.

I look forward to meeting you all during our first week back at school.

Regards

Jennifer McCann
